

Welcome

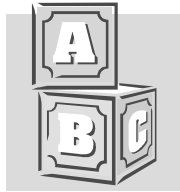

Welcome to our church family.

Please join everyone after the service in the hall for a cuppa and a chat

God continues to bless us all and we praise Him for his wonderful love and care.

Please read through the notices. There are some important diary dates to pop into your calendars and some important prayer needs and praise points to remember throughout this coming week.

May you all feel blessed and up lifted throughout the service

Crèche: is available throughout the service in the hall. Parents can take their children out and while the children play you can watch and listen to the service on the television.

If you would like a copy of today's message (or any other message you may have missed), they are available on CD from Tony. Please see him after the service to make the arrangements
